

Title: GPX Central System Architecture & UI

Prepared by: Microbiz One Inc.

Owner: GP Express

Document version: September 17, 2018

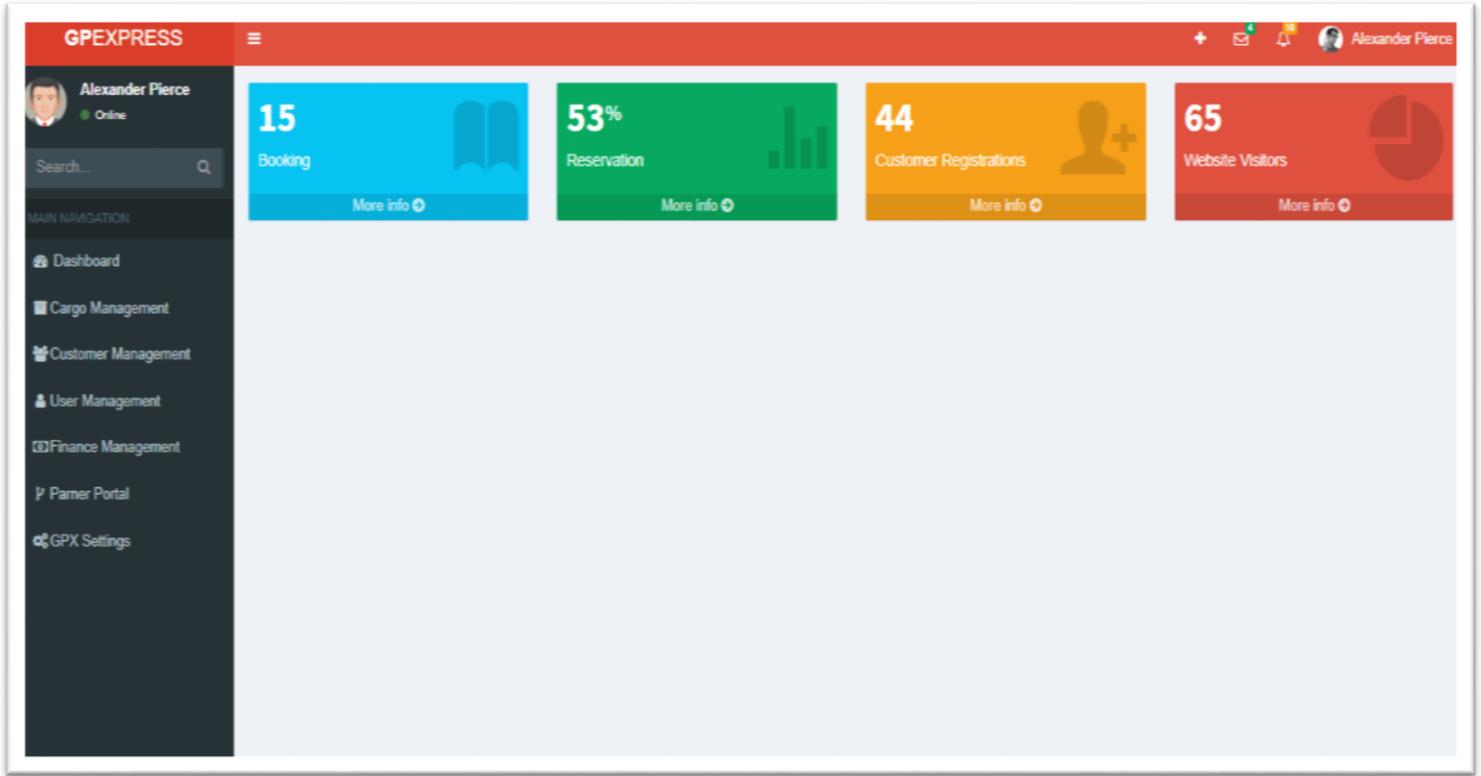

This document is containing all of the updated UI that will be used as the Acceptance document in any development purposes related to Web Central System.

1. System login

Fields Available	Characters
a. Username	Varchar(60)
b. Password	Varchar (60)
Buttons Available	
c. Sign-In	N/A
d. Forgot Password	N/A
e. Remember Me	N/A

Item's Available	Characters
a. Booking count	NA
b. Reservation's count	NA
c. Customer Registration's count	NA
d. Total Sales	NA
e. Website Visitor's count	NA
f. Notification	Text (500) view

3. Cargo Management

The screenshot shows the GPExpress Cargo Management system interface. The top navigation bar includes a user profile for 'Alexander Pierce' (Online), a search bar, and various icons. The main title 'RESERVATION' is displayed above a 'LIST' section. The list table has columns for 'Reservation #' (containing 'TRSN9374328236'), 'Customer' (containing 'John Doe'), 'Boxtype' (containing 'JUNIOR 2' and 'BUDDY 2'), 'Status' (containing 'PAID'), and 'Actions' (with edit, delete, and other icons). A search bar and a 'Show' dropdown are at the top of the list. The footer includes copyright information ('Copyright © 2018 Microbiz One Inc. All rights reserved.') and a version number ('Version 1.0.0').

4. Loading

The screenshot shows the GPExpress software interface. The top navigation bar includes the logo 'GPEXPRESS', user information for 'Alexander Pierce' (Online), and links for 'CARGO MANAGEMENT > LOADING > LIST'. The main content area is titled 'LOADING' and displays a table with the following data:

Container #	Date Loaded	Quantity	Actions
6827582364826	JAN 12, 2018	12	

The left sidebar, titled 'MAIN NAVIGATION', lists various modules: Dashboard, Cargo Management (selected), Reservation, Booking, Loading, Unloading, Box Transfer, Delivery, Track N Trace, Box Barcode, Customer Management, User Management, Finance Management, and Partner Portal.

a. Unloading

The screenshot shows the GPExpress software interface. At the top, there's a red header bar with the GPEXPRESS logo, user information (Alexander Pierce, Online), and navigation icons. Below the header is a main navigation sidebar on the left containing links like Dashboard, Cargo Management (which is highlighted in red), Reservation, Booking, Loading, Unloading, Box Transfer, Delivery, Track N Trace, Box Barcode, Customer Management, User Management, Finance Management, and Partner Portal. The main content area is titled "UNLOADING" and shows a table of data with columns: Container #, Date Loaded, Date UnLoaded, Quantity, and Actions. A single row is visible with the values: Container # 6827582364826, Date Loaded JAN 12, 2018, Date UnLoaded JAN 22, 2018, Quantity 12, and Actions (with edit, print, and delete icons). There are also search and print buttons at the top right of the content area.

Grid View	Characters
a) Container #	Text
b) Date Loaded	Text
c) Date Unloaded	Text
d) Quantity	Text
e) Actions– View, Edit & Delete	NA

b. Unloading Information

The screenshot shows the GPExpress application interface. The top navigation bar includes the logo 'GPEXPRESS', a user profile for 'Alexander Pierce' (Online), and standard icons for search, print, and notifications. The main title 'UNLOADING' is centered above a table. The left sidebar, titled 'MAIN NAVIGATION', lists various management modules: Dashboard, Cargo Management, Customer Management, User Management, Finance Management, Partner Portal, and GPX Settings. A search bar and a 'Print' button are located at the top right of the main content area. The table displays the following data:

Container #	Date Loaded	Date Unloaded	Quantity	Actions
6827582364826	JAN 12, 2018	JAN 22, 2018	12	
CONTAINERNO	6827582364826	DATELOADING	JAN 12, 2018	
DATEUNLOADING	JAN 22, 2018	BOXQTY	12	
_SHOWDETAILS	true			

At the bottom of the table, there is a navigation bar with icons for back, forward, and search. The footer contains copyright information: 'Copyright © 2018 Microbiz One Inc. All rights reserved.' and 'localhost:26849'. On the far right, it says 'Version 1.0.0'.

Grid View	Characters

6. Delivery

The screenshot shows the GPExpress delivery management interface. The top navigation bar includes the GPExpress logo, user profile (Alexander Pierce, Online), and links for Cargo Management, Delivery, and List. The main content area is titled 'DELIVERY' and shows a grid of delivery transactions. The columns are: Transaction #, Customer, Receiver, Origin, Destination, Date, Boxtyle, Status, and Actions. One transaction is visible: GPX68743658, Customer: John Doe, Receiver: Maria Cruz, Origin: Abu Dhabi, Destination: Makati City, Date: JULY 13, 2018, Boxtyle: JUNIOR 2 BUDDY 2, Status: DELIVERED, and Actions: View, Edit, Delete. The sidebar on the left lists main navigation categories like Dashboard, Cargo Management (selected), Customer Management, User Management, Finance Management, and Partner Portal.

7. Track and Trace

The screenshot shows the GPExpress Track & Trace application. The left sidebar contains a navigation menu with sections like MAIN NAVIGATION, CARGO MANAGEMENT, CUSTOMER MANAGEMENT, USER MANAGEMENT, FINANCE MANAGEMENT, PARTNER PORTAL, and GPX SETTINGS. The current section, CARGO MANAGEMENT, is highlighted in red. The main content area is titled 'TRACK & TRACE' and features a search bar for 'Tracking #'. Below the search bar, there are two sections: 'Details' and 'Timeline'.

Details:

- a) Content:** Transaction number: 00000111. Item: 1 item(s). Status: On Shipping. Date and Time: Thursday 02/05/2018 at 08:00 am. Origin: Shop 2, Aliya Building St 20A, Al Bada. Destination: P.O. Box 1121, Araneta Center Post Office.
- b) Customer Details:** John Doe. Address: Shop 2, Aliya Building St 20A, Al Bada, Safwa Dubai U.A.E (Opp. New Westzone Supermarket).
- c) Receiver Details:** John Doe. Address: P.O. Box 1121, Araneta Center Post Office 1135 Quezon City, Metro Manila.

Timeline:

10 Feb. 2014

- Arrived at John Doe's House** (Arrived at the target destination. Location: P.O. Box 1121, Araneta Center Post Office 1135 Quezon City, Metro Manila) - Occurred at 12:05.
- Shipping by GP Express** (Item has been shipped by GP Express Cargo Shipping. Location: P.O. Box 1121, Araneta Center Post Office 1135 Quezon City, Metro Manila) - Occurred at 12:05.

8. Box Barcode

The screenshot shows the GPExpress software interface. The top navigation bar includes the logo 'GPEXPRESS', the user profile 'Alexander Pierce Online', and links for 'CARGO MANAGEMENT', 'BARCODE SERIES', and 'LIST'. Below the header is a search bar and a 'More' dropdown. The main content area is titled 'BARCODE SERIES' and displays a table of barcode series information. The columns are 'Warehouse', 'Boxtype', 'Series', 'Assigned date', and 'Actions'. A single row is shown for 'Abu Dhabi Warehouse' with 'JUNIOR' as the boxtype, '20180001 - 20189999' as the series, and 'JULY 13, 2018' as the assigned date. The 'Actions' column contains three icons: a pencil, a magnifying glass, and a trash can. The left sidebar, titled 'MAIN NAVIGATION', has a red-highlighted 'Cargo Management' section containing links for Reservation, Booking, Loading, Unloading, Box Transfer, Delivery, Track N Trace, Box Barcode, Customer Management, User Management, Finance Management, and Partner Portal.

Warehouse	Boxtype	Series	Assigned date	Actions

b) Boxtype	Text
c) Series	Text
d) Assigned date	Text
e) Actions– View, Edit & Delete	Text
Buttons Available	
a) Add Series	text

Add a new barcode series

The screenshot shows the GPEXPRESS application interface. The top navigation bar is red with the title 'GPEXPRESS'. On the far right, there are icons for notifications, messages, and user profile ('Alexander Pierce'). Below the navigation bar, the main header says 'BARCODE SERIES' with a 'NEW' button. To the left is a dark sidebar with the user's profile picture and name ('Alexander Pierce Online'), a search bar, and a 'MAIN NAVIGATION' section. The 'Cargo Management' section is highlighted in red and contains the following options: Reservation, Booking, Loading, Unloading, Box Transfer, Delivery, Track N Trace, Box Barcode, Customer Management, User Management, and Finance Management.

The main content area is titled 'Edit' and contains a form for creating a barcode series. It includes fields for 'Warehouse' (dropdown menu), 'Box Type' (dropdown menu), 'Series Start' (text input), 'Series End' (text input), 'Description' (text area), 'Assigned Date' (date input), and two 'Save' buttons (one blue, one grey).

b) Series Start	Int(11)
c) Description	text
d) Box type	Dropdown menu
e) Series End	Int(11)
f) Assigned Date	Date
Buttons Available	
a) Save	NA

9. Customer Management

a. Customer

The screenshot shows the GP EXPRESS Customer Management interface. The top navigation bar includes 'GP EXPRESS' and a user profile for 'Mark Santos'. The main header says 'CUSTOMER' with a 'LIST' link. On the left, a sidebar menu lists 'Dashboard', 'Cargo Management', 'Customer Management' (selected), 'User Management', 'Finance Management', 'Partner Portal', 'Reports', and 'Settings'. A search bar at the top has a placeholder 'Search...'. The main content area displays a table titled 'LIST' with columns: ACCOUNT NO, NAME, CITY, EMAIL, and MOBILE. The table contains four entries. At the bottom, it says 'Showing 1 to 4 of 4 entries' and has navigation buttons for 'Previous' and 'Next'. The footer includes copyright information and 'GPX Version 1.0.0'.

Add new customer

The screenshot shows the GP EXPRESS application interface. At the top, there's a header bar with the logo 'GP EXPRESS' and a user profile for 'Mark Santos'. Below the header is a navigation bar with tabs for 'CUSTOMER' and 'EDIT'. On the left, a sidebar titled 'MAIN NAVIGATION' lists various modules: Dashboard, Cargo Management, Customer Management, User Management, Finance Management, Partner Portal, Reports, and Settings. A search bar is located at the top of the main content area. The main content area is titled 'EDIT' and contains a form for 'Personal Details'. The form includes fields for Last name, First name, Middle name, Birthday, Mobile, Phone, Gender (with radio buttons for MALE and FEMALE), Address (House # and Street), Barangay, and City. There's also an 'Email' field with a mail icon. A 'Save' button is at the bottom right. At the bottom of the page, there's a copyright notice 'Copyright © 2018 Microbiz One Inc. All rights reserved.' and a version note 'GPX Version 1.0.0'.

13. User

The screenshot shows the GPEXPRESS application interface. The top navigation bar is red and displays the application name "GPEXPRESS". On the far right of the top bar are icons for notifications, messages, and user profile, with the text "Alexander Pierce" next to it. Below the top bar, the main header "USER" is centered. To the right of the header are buttons for "USER MANAGEMENT > USER > LIST" and a blue button labeled "+ Add User". On the left side, there is a vertical "MAIN NAVIGATION" sidebar with a user profile picture of Alexander Pierce (Online). Below the profile are search and more options buttons. The sidebar menu includes "Dashboard", "Cargo Management", "Customer Management", "User Management" (which is highlighted in red), "Employee", "User", "Roles", "Login-History", "Finance Management", "Partner Portal", and "GPX Settings". The main content area is titled "USER" and contains a table with one row. The table columns are "Employee Name", "Username", "Role", and "Action". The single row shows "John Doe" in the Employee Name column, "johm.doe" in the Username column, "Sales Driver" in the Role column, and a small icon in the Action column.

a) Add User	N/A

Add new user

The screenshot shows the GPExpress application interface. At the top, there's a red header bar with the title 'GPEXPRESS'. On the right side of the header, there are icons for notifications, messages, and a user profile for 'Alexander Pierce'. Below the header is a navigation bar with tabs for 'USER MANAGEMENT > USER > LIST'. The main content area has a title 'USER' and a sub-section 'Edit'. On the left, there's a sidebar titled 'MAIN NAVIGATION' with links to 'Dashboard', 'Cargo Management', 'Customer Management', 'User Management', 'Finance Management', 'Partner Portal', and 'GPX Settings'. A search bar is also present in the sidebar. The main form area is titled 'User Details' and contains fields for 'Employee' (with a dropdown for 'Select Customer' and a '+' button), 'Role' (with a dropdown for 'Select Role'), and three password fields: 'Username', 'Password', and 'Confirm Password'. There are two large blue 'Save' buttons at the bottom of the form. At the very bottom of the page, there's a copyright notice 'Copyright © 2018 Microbiz One Inc. All rights reserved.' and a 'Version 1.0.0' link.

c) Username	Varchar(200)
d) Password	Varchar(200)
e) Confirm Password	Varchar(200)

14. Roles

The screenshot shows the GPExpress application interface. The top navigation bar is red and contains the logo 'GPEXPRESS' on the left, and user information 'Alexander Pierce' with status 'Online' on the right. Below the navigation bar is a dark sidebar titled 'MAIN NAVIGATION' containing links such as Dashboard, Cargo Management, Customer Management, User Management (which is highlighted in orange), Employee, User, Roles, Login-History, Finance Management, Partner Portal, and GPX Settings. The main content area has a title 'ROLE' and a sub-header 'USER MANAGEMENT > ROLE > LIST'. It features a search bar with a magnifying glass icon and a toolbar with icons for edit, delete, and more. A table lists one role: 'Sales Driver' with a description 'Lorem ipsum lorem ipsum'. To the right of the table is an 'Action' column with a trash can icon. A blue button at the top right says '+ Add Role'.

15. Login History

The screenshot shows the GPExpress application interface. At the top, there's a red header bar with the title "GPEXPRESS" and a user profile for "Alexander Pierce" (Online). Below the header is a navigation bar with links like "Dashboard", "Cargo Management", "Customer Management", "User Management" (which is highlighted in red), "Employee", "User", "Roles", "Login-History", "Finance Management", "Partner Portal", and "GPX Settings". The main content area is titled "LOGIN HISTORY" and displays a table of "Login History" entries. The table has columns for "Username", "User Ip Address", "Sign In Time", "Sign Out Time", and "Status". There are three entries listed:

Username	User Ip Address	Sign In Time	Sign Out Time	Status
System Administrator	192.168.1.1	05-30-2018 08:00 AM	05-30-2018 08:00 AM	Sign out

Salary Compensation

The screenshot shows the GPExpress software interface for managing salary compensation. The top navigation bar includes the logo 'GPEXPRESS', a user profile for 'Alexander Pierce' (Online), and standard application icons for adding, saving, and deleting. The main title 'SALARY COMPENSATION' is centered above a search bar with fields for 'Employee Name', 'From', 'To', 'Amount', and 'Description'. A blue button on the right says '+ Add Financial Liquidation'. On the left, a vertical 'MAIN NAVIGATION' sidebar lists various modules: Dashboard, Cargo Management, Customer Management, User Management, Finance Management (which is currently selected and highlighted in red), Chart Accounts, Salary Compensation (selected), Allowance Disbursement, Financial Liquidation, Loan, Remittance, Expenses, Partner Portal, and GPX Settings.

Inventory

The screenshot shows the GPExpress Partner Portal interface. The top navigation bar is red with the logo 'GPEXPRESS' on the left and user information 'Alexander Pierce' on the right, which includes a profile picture, an online status indicator ('Online'), and notification icons for messages and alerts.

The main header 'INVENTORY' is displayed above a search bar and a 'List' button. To the right of the header are links to 'PARTNER PORTAL', 'INVENTORY', and 'LIST'.

The left sidebar, titled 'MAIN NAVIGATION', contains several menu items: Dashboard, Cargo Management, Customer Management, User Management, Finance Management, and Partner Portal. The 'Partner Portal' item is highlighted with a red background, indicating it is the active section. Sub-menu items under 'Partner Portal' include Dashboard, Inventory, Delivery, In-Transit, Arrived, Cargo Transfer, and GPX Settings.

The central content area is titled 'List' and displays a table with three columns: Warehouse, Box Type, and Quantity. One row is visible, showing 'Warehouse A' as the warehouse, 'Junior' as the box type, and '100' as the quantity.

Grid View	Characters
a) Warehouse	Text
b) Box Type	Text
